

BirkenVale

Virtual Collaboration Challenge 2019

Project: design and pilot a scalable L&D format that lets students experience virtual collaboration in globally dispersed teams.

BirkenVale

Virtual Collaboration Challenge 2019

Solution framing:

- mixed teams
- 4 time zones | cultural diversity
- working in a joint project
- stepping out of comfort zone
- guidance from mentors
- pitching to virtual team experts
- partially funded by Movetia

BirkenVale

Virtual Collaboration Challenge 2019

40 students | 12 schools
7 nationalities
6 teams
5 weeks | 5 tasks
25 learning hours p.p.
6 creative solutions

BirkenVale

A rich experience. Would definitely do it again.
Kenrick (25), Australia

(...) more students should get this opportunity
Daniel (20), Switzerland

First programme ever for me to truly gain an intercultural team experience.
Kavya (21), India

Virtual Collaboration Challenge 2019

pilot program of BirkenVale

Let's discuss how we can integrate this in our curriculum.

P., faculty member

Participants find the VCC particularly helpful for

use of new digital tools

creative thinking

virtual collaboration skills

leadership & project mgmt skills

presentation skills in English
